

Company: AssessSystems
Position: Financial Controller
Candidate Name: John Sample
Date Report Generated: August 7, 2014

John Sample is a possible match to the personality requirements for the Financial Controller position at AssessSystems. If the candidate meets all other screening criteria for the position consider scheduling an interview with the candidate, particularly if there are few other applicants who exhibit a good personality fit for the position. To better prepare for the interview also consider ordering a full Prevue Selection Report for this candidate to provide you with:

- Interview questions to probe specific areas where the candidate's job fit is an issue.
- Details of the candidates strengths and potential challenges in fulfilling the demands and requirements of the position.
- Information on the candidate's match to the learning speed (cognitive abilities) required for the position; and
- The candidate's match to the motivational interests required in the position.
